Improvement of the Asset Management in Sofiyska Voda JSC through Elaboration of a New Assets Valuation Methodology

Water and Wastewater services

CONSULTING SERVICES

Grant No.:TF012722

Sofiyska Voda JSC has received financing from the World Bank toward the cost of the *Improvement of the Asset Management in Sofiyska Voda JSC through Elaboration of a New Assets Valuation Methodology*, and intends to apply part of the proceeds for consultant services. The services include the development of a new methodology for valuation of the physical condition of the assets in Sofiyska Voda JSC. The period determined for development of the methodology is 7 months. It is planned that the consultant will start working in the beginning of February 2017 and will complete the assignment by the end of August 2017. Details are in the attached Terms of Reference document.

Sofiyska Voda JSC now invites eligible consultants to indicate their interest in providing the services. Interested consultants must provide information indicating that they are qualified to perform the services (CV- according to template, brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, references, etc.). Consultants may associate to enhance their qualifications.

A consultant will be selected in accordance with the procedures set out in the World Bank's [Guidelines: Selection and Employment of Consultants by World Bank Borrowers](#) (current edition).

The evaluation will be carried out in two stages:

- The first stage involves an assessment of the general qualification and experience of the candidate, incl. scientific studies, publications, participation in scientific research and other types of projects, similar to the topic of the terms of reference;
- The second stage involves an assessment of the proposed methodology and price.

The first three candidates who receive the highest score on the first stage will be allowed to submit documents for the second stage.

Interested consultants may obtain further information at the address below during office hours: 08.00 to 16.30 hours, GMT+2.

Expressions of interest must be delivered to the address below by 20th December 2016.
